Reconnect with a dream...Or build new memories!

Do you remember waking up early to soak in the adventures of “Flicka” or the “Lone Ranger” on TV? How

about collecting every Breyer’s horse you could fit on a shelf? Are you the parent of a rider hoping to improve your horse knowledge and skills?

If any of these apply to you, we have the perfect weekend getaway planned just for you! Grow in faith and friendship while building foundations in natural horsemanship. Build new relationships, both Horse and Human. You may even bring your own horse (prior approval and negative coggins required). Paddock space is very limited.

Lodging & Meals

You will find comfortable lodging in the Ridgewood cabins with gathering space and a fireplace. Your room will have 2 twin beds, so encourage a friend to register with you! Or consider bringing a young adult (age 13 or older). Each building also has restrooms with showers.

When you are not riding, spend time relaxing on the deck overlooking beautiful Lake Lucerne, hiking or hang out building faith filled friendships. Meals are served family style. The registration fee includes everything you need to relax and ride away the weekend. Space is very limited register early!

How to Register

For Weekend dates use registration forms available in the summer camping booklet or on line and mail with \$195 payment and waiver to:

Lake Lucerne

W6460 County Road YY
Neshkoro, WI 54960

For Summer dates follow instructions for summer camp registration in the summer camping booklet or register online at www.wiumcamps.org

Please call Lake Lucerne office with any questions: 920-293-4488
