## STEWARDSHIP RETREAT

(ADULT)

Have you ever struggled to incorporate stewardship into your church's overall ministry plan? In response to the 2007 Listening Sessions, the Board of Camp and Retreat Ministries and the Wisconsin United Methodist Foundation are joining together to sponsor the second annual Stewardship Retreat at Pine Lake Camp. The primary focus of this year's retreat will be **Developing a 3-5 Year Stewardship Plan**. Clergy are encouraged, but not required, to bring one or more lay leaders from the congregation with them this year. Resources from the Foundation, including a summary of stewardship resources from the Foundation library, will be shared. Equal time will be allowed for group presentations and for developing individual church proposals. Questions to be addressed include: "What are the advantages of a year-round stewardship program versus an autumn campaign? How can we present the basics of percentage giving and tithing? How can we help our members address the credit crisis? What types of financial stewardship programs are available? When is it best to use a particular program? The principles of financial stewardship will be discussed in a casual, retreat setting with approximately one-third of the time devoted to developing individual church proposals. This noon to noon retreat starts Wednesday. Cost is \$34 for double occupancy, \$60 for single occupancy. (The camp fee is subsidized by a Conference scholarship) Leaders: Rev. Jean Ehnert Nicholas and Rev. Dave Busker
